

Innovation

Exchangeable Bushes
for ProVac® Vacuumvalves

Lower cost and higher productivity.

Know How... For You!

Innovation

ProVac® Ultra SONIC

From Vision to Reality

World-Champion in evacuating Dies

Evacuation of a new dimension

Huge power and still incredibly compact in size

Squaring the Circle!

Know How... For You!

Innovation

TYPHOON Vacuumrunner Plates
for ProVac[®] Vacuum-Valves

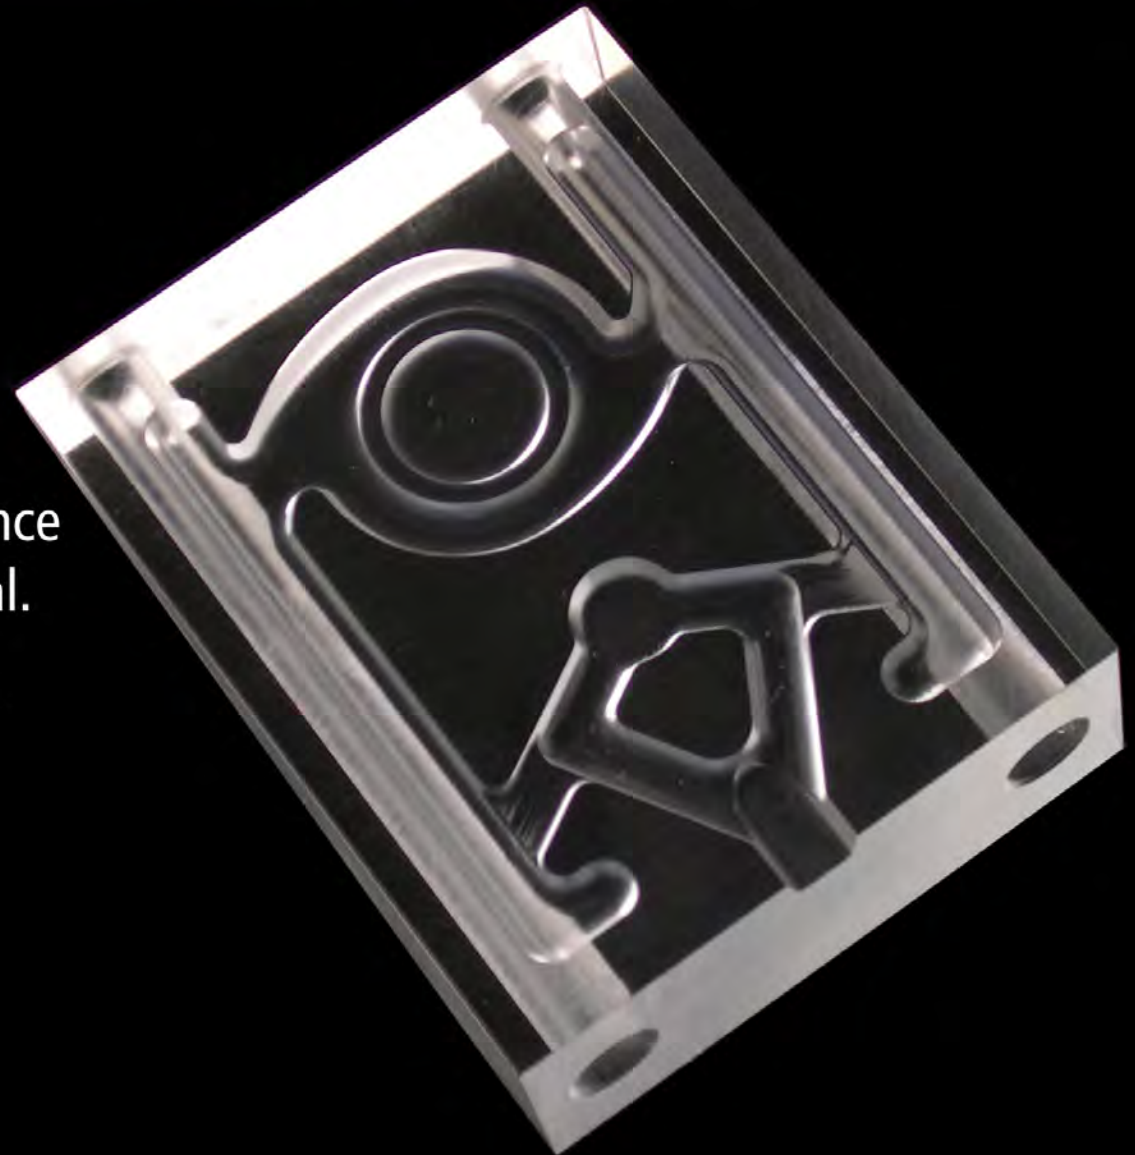

The circular design of the evacuation channel provokes a longer flowing distance and reduces the speed of the liquid metal.

This leads to less pressure on the piston.

Lower cost and increased productivity.

Who invented it?
